

# Attention: Educators and Ocean Enthusiasts!

*Save the Date for the*

## 33<sup>rd</sup> Annual Conference of the New York State Marine Education Association (NYSMEA)

*Our Local Waters: Resources, Restoration, and Citizen Action*

**Saturday June 4, 2011**

**Kingsborough Community College  
Brooklyn, NY**

**For more information and to register: [www.nysmea.org](http://www.nysmea.org)**

### **Activities include:**

- **Keynote Speakers** – listen to inspiring talks from Dr. Merry Camhi from the Wildlife Conservation Society and Paula Zevin from the Environmental Protection Agency!
- **Workshops** – learn how to get involved in local stewardship activities in the field, lab, or classroom!
- **Field Trips** – sample aboard a research vessel, seine at the beach, learn about invertebrate ecology, and more!
- **Networking** – meet other marine educators and enthusiasts from across the state!
- **New York Aquarium** – enjoy special “after hours” access, dinner, and a presentation on the New York Seascape program!
- **Auction** – win great prizes including gift certificates to restaurants, fossils, laboratory supplies, and more!

**Professional Development credit is available!**
